

Guide for International Students

Academic Year 2026/27

donau-uni.ac.at/international

Welcome to the University for Continuing Education Krems!

Dear students,

The team of the Service Center for International Relations at the University for Continuing Education Krems (Danube University Krems) welcomes you on campus. We congratulate you on your decision to enrich your education by making this international experience of studying with us.

The University for Continuing Education Krems is one of the pioneering institutions in Europe in the field of academic continuing education and a specialized institution in the sector of academic life-long learning. It is one of the leading providers of continuing education in Europe. Its students have very high expectations and prepare themselves for the next step in their careers, update their knowledge, acquire new skills, and develop their personal abilities – and you are now one of them!

Your international experience at the University for Continuing Education Krems does not only benefit you personally but also forms a crucial contribution to the internationalisation of our institution. In order for you to have a smooth start and a fruitful time at our university, we want to offer you the best possible assistance during the preparation and time of your stay.

This guide provides some orientation and the most important information necessary for a good start in Krems. It lists important contact details and offers you insight into our relevant internal processes. Furthermore, it introduces you to life in Austria and Krems. A stay in a foreign country is often connected to many questions regarding administration, insurance, visa, housing, cultural differences, language barriers, etc. The Service Center for International Relations is looking forward to support you throughout your stay and will be happy to assist you with any uncertainties or concerns that might come up.

You will experience an interesting, rewarding, and exciting time in Austria and we wish you all the best for your stay in Krems and your studies at the University for Continuing Education Krems.

Arriving in Austria

Admissions to studies

As a public (state) university focusing on continuing education, the University for Continuing Education Krems works with its expertise in teaching and research to overcome societal challenges. Our students are on average 36 years old, often studying in parallel to employment in so-called low-residency or part-time academic continuing education programs (Bachelor, Master, Academic Expert, Certified Programs) as well as in four PhD programs at either one of three faculties: Health and Medicine, Business and Globalization, and Education, Arts and Architecture.

Continuing education in higher education in Austria adheres to the Bologna structure (Bachelor – Master – PhD). These studies are specifically designed to meet the requirements of adult students.

There are specific requirements for admission, which depend on the **type** (Seminar, Micro-credential, Certified, Academic Expert, Bachelor, Master, MBA, LL.M. or PhD programs) and on the **academic field** (Arts & Culture, Building & Environment, Digitalization & Sensors, Economics & Business Management, Education, Health & Medicine, Law & Administration, Media & Communication, Migration & International Affairs, Psychotherapy & Social Services) of the study programs. For an overview of the study programs as well as for the requirements for admission to the desired studies, please see the course catalogue: donau-uni.ac.at/en/studies/course-catalogue.

Admission to studies for exchange students

Check the requirements listed in the course catalogue via donau-uni.ac.at/en/studies/course-catalogue.html and contact your university's international office, which will assist you with the application process. After your home university's exchange or Erasmus+ coordinator has nominated you by contacting the Service Center for International Relations, you will receive more information on the further steps, and the learning agreement will be signed. For Erasmus+ exchange students and trainees, course fees are waived.

To apply as an Erasmus+ exchange student or trainee, you will need to check donau-uni.ac.at/en/university/service/servicecenter-for-international-relations/mobility/incoming/erasmus-exchange-students.html for the requirements.

As a trainee, you may be admitted to studies if you come on an Erasmus+ traineeship, are enrolled at an university, and want to train in one of our laboratories, archives, at the document centre, etc., and there is a study program fitting the description of the traineeship at the respective department. If this is not the case, your official status at the university will be as a visitor (please see the guide for international staff and visitors).

Admission to studies for continuing education degree students

Non-EU/EEA students should ideally start the process at least four months before courses start as you will need to

- > Be admitted, for which you may need to translate and/or legalize your documents as well as pay the course fees and forward original documents via mail or courier to the university
- > Apply for a visa or residence permit, for which you will need your letter of admission (Erfüllung der Zulassungsvoraussetzungen/Zulassungsbescheid)

before arrival to Krems.

Start early, ideally at least four months before courses start. Check the requirements listed in the course catalogue and contact the contact person in charge of the study program. **Upload all required application documents** (donau-uni.ac.at/en/studies/study-organisation/application.html) to the Application/Online pre-registration portal ([online.donau-uni.ac.at/DUKonline/ee/ui/ca2/app/desktop/#/pl/ui/\\$ctx/logininfo?\\$ctx=design=ca2;header=max;lang=en](https://online.donau-uni.ac.at/DUKonline/ee/ui/ca2/app/desktop/#/pl/ui/$ctx/logininfo?$ctx=design=ca2;header=max;lang=en)).

Foreign documents may have to be translated and/or legalized depending on the issuing country. See donau-uni.ac.at/en/studies/study-organisation/application.html for details.

Complete all additionally required steps as specified by the individual study program (i.e. interview). In case you are accepted, you will receive a “confirmation that requirements for admission have been met.”

Non-EU/EEA students will need to further **pay the course fees** after receiving the invoice and **forward all required original documents** via mail or courier to the Service Center for Students. You will be issued a letter of admission (Zulassungsbescheid), which you may need in order to apply for a visa or residence permit in your country of residence.

Whom should I contact

I am a ...

CE degree student	you will need to fulfill the requirements for admission and perhaps need a visa , start the process at least 4 months ahead of studies	contact the Service Center for Students regarding admission and Contact the Service Center for International Relations regarding visa information
exchange student	with Erasmus+ funding and coming for a study exchange, apply until June 15 for winter and December 1 for summer term	contact the Service Center for International Relations regarding your Learning Agreement, see deadlines on the left
	with Erasmus+ funding and coming for a traineeship exchange at labs/archives/documentation centers, etc. apply until 6 weeks before your stay	
researcher, teacher, trainee, intern, ...	coming as staff (with a labour contract with the university and/or on the payroll of the university)	contact the Recruitment and HR Development Unit for questions regarding recruitment and/or the HR Management Unit for questions regarding salary, labour law, tax law, social security, immigration law
	coming temporarily and as a visitor (with a stipend requiring a trilateral agreement or with a mobility programme)	find a supervisor at one of our Faculties and contact the Service Center for International Relations regarding your traineeship/mobility/stipend agreement at the latest 6 weeks before your stay

Passport and visa requirements

Independently from your status as a student (exchange or degree student), you can apply for a “Residence Permit – Student” or for visas C or D, depending on a variety of factors. OeAD, Austria’s Agency for Education and Internationalisation, has set up a website, which can help you determine what you need in order to lawfully enter and live in Austria: oead.at/en/to-austria/entry-and-residence/third-countries. Most likely you will have to submit your application at the competent Austrian representative authority in your country of residence and await the decision there.

Beyond the general passport and visa requirements, Austria has implemented the Entry/Exit system. The Entry/Exit system (EES for short) registers short stays of non-EU citizens in the EU member states.

Please note that the general information above may not replace the need for detailed advice in individual cases. Despite all care in its research, we do not assume any liability for its accuracy, completeness, and topicality. Finally, when linking to other websites, we do not assume any liability for their contents. To assure a trouble-free application process, we strongly advise you to contact the competent Austrian representative authority in your home country for individual counselling.

Registration as a resident

As an international student in Austria, you are subject to Austrian residential registration law. This means that you will need to register with the authorities within three days of your arrival to Austria. This concerns EU/EEA students just as it does non-EU/EEA nationals or Austrian nationals. The responsible authority for residential registration in Krems is:

Bürgerservicestelle Krems located within City Hall.
Obere Landstraße 4, 3500 Krems on the Danube
Opening hours are Monday – Friday 8.00 – 12.00

In order to register successfully, you need to bring your passport and a filled-out registration form. The registration form is available online under the following link: krebms.at/fileadmin/user_upload/Meldezettel.pdf

The registration form needs to be fully filled out and requires the signature of your landlord.

EU/EEA students who are staying in Austria for longer than three months will need to further acquire a Confirmation of Registration (Anmeldebescheinigung) within the first four months of their stay as documentation of their right of residence in accordance with Union law. You can also collect this document from Bürgerservicestelle when bringing your passport and your signed registration form. Before you leave Austria, at the end of your stay, you will need to deregister with the authorities. For that you need to hand in a filled out registration form without your landlord’s signature at Bürgerservicestelle.

Insurance

Students applying for visas C or D and planning to stay in Austria for a maximum of six months will need travel health insurance valid in Austria for the duration of their stay and covering costs of more than € 30,000, as well as possible recovery and repatriation costs.

Students applying for a residence permit – student and planning to stay in Austria for longer than 6 months will need health insurance covering all risks, corresponding to the Austrian national health insurance (i.e. no waiting periods, cost caps, exclusions of risks, etc.).

During your stay at the University for Continuing Education Krems, a part of your tuition money will be used to cover your ÖH fee, which is a fee paid to the Austrian National Union of Students and enables you to employ all services offered by them. These services also incorporate an accident and liability insurance fee, which covers events happening on campus or that are directly related to your studies (accidents happening on your way to university, during a field trip, etc.). The **ÖH insurance**, however, does not cover any leisure incidents or accidents and does not include health insurance coverage.

Austria upholds an insurance agreement with several countries, which means that if you are a citizen of one of the following countries, you most likely will not need any extra insurance. However, you should consult with your insurance company before your departure in order to make sure your coverage is operative in Austria.

The countries Austria upholds an insurance agreement with are: EU/EEA countries and Bosnia and Herzegovina, Northern Macedonia, Montenegro, Serbia and Turkey.

For students not holding any of the above mentioned citizenships, it is necessary to independently secure medical, accident, and liability insurance for the time of their stay.

You can find more information about insurance on the homepage of OeAD, Austria's Agency for Education and Internationalisation: oead.at/en/to-austria/entry-and-residence/residence-permit-student-no-mobility-programme/#insurance.

Working

Whether or not you are allowed to work in Austria depends on your nationality, the kind of work you would like to undertake and, for non-EU/EEA nationals, on the kind of visa or residence title. For more information, please see: oead.at/fileadmin/Dokumente/oead.at/OeAD_Stamm/Nach_Oesterreich/Einreise_und_Aufenthalt/Datenbank_Einreise_Aufenthalt/Infoblaetter/Englisch/Allgemeine_Info_-_Arbeiten_en.pdf.

Arriving at University

Campus

For your guidance and orientation on campus you can use our interactive campusmap: [youtube.com/watch?v=9gfv3CgciXY](https://www.youtube.com/watch?v=9gfv3CgciXY).

When enrolling at the University for Continuing Education Krems, you will (exchange students on short-term stays are exempted) receive a student identity card. With this card you will be able to enter the university buildings and campus grounds. The opening hours of our university are Monday to Sunday, 07:00 until 22:00. Your student identity card does not grant you access to our parking garages. For parking, you will need a parking card which can be issued by your study program coordinator before the beginning of your studies. For further information please contact your study program coordinator.

Enrollment

Exchange students will be enrolled for the period of their stay after completing the online registration in the Application/Online pre-registration portal: online.donau-uni.ac.at/DUKonline/wbsselbstregPerson.register. You will receive a personal PIN-code for the university's studies management system UWKonline based on your enrollment at your home university and you will not pay course fees if you are an Erasmus+ exchange student.

Degree students also have to complete the online registration and will receive a letter containing the personal PIN-code for the university's studies management system UWKonline and will have to pay the course fees after receiving an invoice. You will then have to present your original documents in person upon arrival or send them via mail in order to be enrolled.

No matter whether you are an exchange or degree student, with your personal student account in UWKonline, you have unrestricted access to the course catalogue, timetables, your academic status, exam certificates, etc. A „Guide for Students“ explains how to use it: donau-uni.ac.at/dam/jcr:8643ae8b-be4b-4125-b127-74da24d495ee/Guide-for-students-University-for-Continuing-Education-Krems.pdf.

Further, please make sure to pick up your StudentServiceCard upon arrival. The card is both student ID and library card and further allows you to participate in the Campus Sports and Campus Culture programs and secures you free WiFi. You can find more details here: donau-uni.ac.at/en/studies/study-organization/student-service-card.html.

Internet and online system UWKonline

UWKonline is our student platform. It provides you with information on your time tables and programs, your personal enrollment status and so on. In UWKonline, you can print your Enrollment Confirmation, check your payment status, your grades and much more. It is your personal online management tool for your studies at the University for Continuing Education Krems.

After enrollment, you will receive a PIN-code with which you can access your account. Once your account is active, you automatically receive a University for Continuing Education Krems e-mail address.

UWKonline: *online.donau-uni.ac.at/DUKonline*

For registration, please click on the key icon at the top right. Select “Enter your PIN-code here” in FIRST REGISTRATION – STUDENTS and enter the following information:

- > PIN Code
- > Student Number
- > Date of Birth.

The system will then automatically assign you a user name. Please remember that name. As soon as you change your password, your access will be activated.

There is free Wi-Fi all over the campus.

Life in Austria and Krems

Austria

Austria lies at the very heart of Central Europe bordered by eight countries, which are Germany, the Czech Republic, Slovakia, Hungary, Slovenia, Italy, Liechtenstein, and Switzerland. The official language is German but you will soon find that the majority of its around 9 million inhabitants speaks local dialects. Austria consists of nine federal states: Burgenland, Carinthia, Lower Austria (to which Krems belongs to), Salzburg, Styria, Upper Austria, Vienna (simultaneously the largest city and the country's capital), Tyrol and Vorarlberg. Beyond Vienna, the major urban areas of Austria are Graz, Linz, Innsbruck, and Salzburg, which are all just a short train ride from Krems. In 1995, the country joined the European Union, signed the Schengen Agreement, and adopted the Euro as its official currency in 1999.

Austria's landscape varies considerably. Around two thirds of the country are covered by the Alps, which make for a beautiful scenery full of picturesque lakes and great hiking routes through beautiful nature. To the East, Austria is rather flat and fertile. Eastern Austrian regions, including Krems, are especially famous for their wine. Europe's only major river flowing eastwards, the Danube, also passes through the country. The country's north is shaped by the Bohemian Forest, resulting in a hilly and forested landscape. Austria lies in the Central European transitional climatic zone, resulting in warm summers and snowy winters.

Krems

Krems an der Donau (Krems upon the Danube) is the fifth-largest city of Lower Austria, located around 60 kilometers west of Vienna and home to approximately 25,000 inhabitants. In Krems, the rivers Danube and Krems meet at the eastern end of the idyllic Wachau valley, formed by the Danube River and listed on the UNESCO List of World Heritage Sites.

The abundance of historic buildings and architecture from the middle ages in the center of Krems tells of its meaningful past. The community, already mentioned in the year 995 as "urbs chremisa", was once the center of salt and wine trading and is one of the oldest towns in the country. You can still feel a medieval touch when hiking through the Wachau valley, which is framed by many fortresses and ruins. Its connection with its history and its vicinity to breathtaking nature combined with its lively atmosphere resulting from many cafés, restaurants and shops around the city offer the perfect place for your studies.

Accommodation

When looking for accommodation in Krems, you can either choose between a single or double room in one of its three students residences or private accommodation, which would be for example a room in a shared flat. Please be aware that many lease contracts are closed on a term basis only, which means you will most likely have to rent a room for a minimum of six months.

The student residence **Kolping Campus Krems** is located directly on campus. Find further information under the following link: krem.s.kolping.at.

The student residence **Europazentrum Krems** is also close to campus. It offers a few single rooms and various double rooms. Please find further information under the following link: oejab.at/studierende-jugend/studierendenwohnheime/krems.

The student residence **STUWO Krems** is very modern and offers more single rooms but is located a bit further from campus. Please find further information under the following link: stuwo.at/en/dormitories/krems/.

Private accommodation can be found under the following web addresses:

stik.at

wg-gesucht.de/en

facebook.com/groups/KremserStudentPinboard.

The **Austrian National Union of Students** can also help you find accommodation: oeh.ac.at/wohnen

The online platform **Willhaben** (a virtual market) lists additional rooms and apartments in German. willhaben.at.

You can also find these links on **our homepage**:

donau-uni.ac.at/en/university/campus-krems/studying-in-krems.

It is also possible to look for accommodation in neighbouring places like Mautern or Paudorf which have very good public transport connections to Krems.

Public Transport

Krems is accessible by train and car. There are direct train connections to Vienna, where you will find the nearest airport, and to Lower Austria's capital St. Pölten, both railway stations offering stops for international travelers from/to Germany, Switzerland, Hungary, Italy, Belgium, Romania, Czech Republic, Slovakia, etc.). When arriving by train from Vienna or St. Pölten, the buses 717 and 1 will take you directly to campus.

A nextbike (nextbike.at/en/niederoesterreich) rental station is also positioned directly at the station in Krems, should you prefer to travel by bike (8 minutes).

For railway information such as prices, reductions and timetables, you can contact the Service Center for International Relations or consult the Austrian Federal railways' homepage: oebb.at/en.

When arriving to Austria by plane, the best way to get to Krems is to take a train from Vienna International Airport to St. Pölten and then switch to the train to Krems. The best public transport connections, not only from the airport, including all sorts of transportation means can be looked up via the following link: fahrplan.oebb.at/bin/query.exe/en.

In case you are arriving in Krems by car and should encounter any problems like damage, a flat tire or a breakdown, you can check whether your insurance or motorist club has an agreement with any of the following two companies and call them for help:

ÖAMTC: 120
ARBÖ: 123

Krems also offers a variety of taxi companies:

Taxi Fries	Schrebergasse 8	+43 (0)2732 858 83
Taxi Simhandl	Langenloiserstraße 7	+43 (0)2732 721 21
Rittner Taxi	Wachaustraße 13	+43 (0)2732 208
Shägy Taxi	Rehberger Hauptstraße 63	+43 (0)2732 830 83 and +43 (0)664 933 12 33
Easy Taxi	Bahnhofplatz 9	+43 (0)2732 771 00
Taxi Adler Krems	Weinzierl 120/5	+43 (0)664 154 06 04
Taxi 4You Krems	Hafenstraße 30	+43 (0)676 943 47 49
Keyif Taxi Krems	Obere Landstraße 18	+43 (0)676 555 53 34
MTS Mietwagenservice		+43 (0)664 184 80 41

Banks

In Austria, practically every bank branch has an ATM accessible 24/7 where you can take out money. Many but not all hotels, restaurants, gas stations, and shops accept credit cards.

You will need a confirmation of residential registration for opening an Austrian bank account, no matter if at a local bank or an online bank. We strongly recommend all people studying and living in Austria to open a SEPA (Single Europe Payments Area) bank account in order to avoid transaction fees.

Support services on gender/diversity topics

The University for Continuing Education Krems places great importance on promoting a diversity-oriented and discrimination-free university culture in everyday work and study. For any questions regarding equality and diversity, the **Office for Equality, Gender and Diversity** (donau-uni.ac.at/en/university/about/equality-and-gender-studies.html) is available and happy to assist you. The office is responsible for promoting and implementing measures that contribute to equality, women's advancement, gender mainstreaming, and fostering the gender dimension in research and teaching.

If you have questions, for example, about facts and figures in regards to equality at the University for Continuing Education Krems, gender and diversity dimensions in your study contents, or specific incidents related to your gender identity or other personal diversity characteristics, you are welcome to reach out to a staff member with your inquiries or concerns. We will then assess whether the Office for Equality, Gender, and Diversity can assist you or if there are other departments within the university or beyond that can provide support.

Additionally, here is a collection of links that may be of general help:

- > Counselling and communication facilities for homosexual, bisexual, intersexual, asexual, queer and transgender persons – sozialinfo.noel.gv.at/content/en/9/SearchResults.do?keyword=LGBTIQA%2B

Medical Attention

In case you get sick or injured during your time in Krems, there are plenty of doctors and a hospital you can turn to. In case you need assistance finding a physician, the Service Center for International Relations will be happy to help. If you need to buy medication outside of the regular opening hours you can consult the following homepage to check which pharmacies in Krems work night and emergency shifts that day: apo24.at/apotheken/nachtdienste/niederoesterreich.

Shifts rotate and each night, another pharmacy will be open.

In case you need a doctor during the weekend or during the night or if you feel too weak and sick to go outside to consult with one in person, you can call the emergency number 141 and a doctor will see you at your home. Should you find yourself in more severe medical trouble, you can seek medical help at the hospital in Krems or call an ambulance by dialing 144.

The most **important emergency numbers** in Austria are:

Fire Department: 122

Police: 133

Ambulance: 144

International European Emergency number: 112

ÖH-UWK in partnership with the University of Continuing Education Krems offers psychological counseling in cooperation with Hilfswerk Niederösterreich (oeh-uwk.at/service/psychologische-beratung).

On campus we have an University Outpatient Clinic for Psychosomatic Medicine and Psychotherapy. They treat moderate to severe illnesses with the following main symptoms: depression, anxiety, trauma (post-traumatic stress disorder), pain (for somatoform disorders) and disturbed sleep. You would need a referral from a specialist psychiatrist first and can then contact the clinic.

Telephone registration and consultation hours:

Mon–Wed, 10:00–11:00 and 14:00–15:00

Phone: +43 (0)2732 893-5650.

Mobile Phones

We recommend verifying prior to your arrival whether your phone supports eSIM, as this is often the easiest way to get connected immediately. Alternatively, you can purchase a prepaid SIM card from one of Austria's mobile providers after arrival.

German Courses

The Service Center for International Relations, in cooperation with the ÖH-UWK, offers German language courses specifically for international students.

Other organizations in Krems offer German language courses as well. The most popular are:

- > Volkshochschule Krems – vhs-krems.at/english
- > Sprachenstudio Krems – info@sprachenstudio.at

Shopping

Shop opening hours in Austria might significantly differ from the ones you are used to from your home country.

On Saturdays, shops usually close around noon. Grocery stores form an exception and usually open earlier and stay open longer, resulting in average opening hours from 7:30–19:30. These times can slightly vary depending on the store. On Sundays and public holidays, shops in Austria are closed.

Public Holidays in Austria are:

1st January – New Year

6th January – Epiphany

Easter Monday

1st May – Labor Day

Ascension Day

Whit Monday

Corpus Christi

15th August – Assumption Day

26th October – Austrian National Holiday

1st November – All Saints' Day

8th December – Feast of the Immaculate Conception (most but not all stores stay open that day)

25th December – Christmas Day

26th December – St. Stephen's Day/Boxing Day

A holiday calendar including legal and other holidays for Austria as a whole and the individual federal states (NÖ = Lower Austria) can be found here: feiertage-oesterreich.at/en/2026/.

Bars and Restaurants

Restaurants in Krems serve traditional but also international dishes and leave almost nothing to be desired. Discover the variety of charming cafes, bars and restaurants, offering something for every taste or visit a typical Austrian wine tavern called “Heurigen” where they serve local wine and specialities.

Recreation

Strolling through its medieval alleyways, tasting wine in closed-down monasteries, relaxing in a café by the street, and amusedly smiling in the museum of caricatures: art and culture can be experienced and lived in Krems. The folk music festival “Glatt & Verkehrt”, the Donaufestival, and the exhibitions at the internationally renowned Art Center Krems are the highlights of the town's annual event calendar. Upcoming events can be found under the following link: *events.krems.at*.

Krems is a traditional educational town - with more than 25 schools and high schools attended by nearly 20,000 students. The environment of Krems is richly furnished with restaurants, hotels, guest-houses and students' hostels, as well as leisure-time and cultural facilities. The environment of the Wachau, its exquisite wines and brandies and numerous sports facilities contribute in significant measure to the quality of life of students at the University for Continuing Education Krems.

Furthermore, the University for Continuing Education Krems is an ideal starting point for jogging, cycling, playing squash and tennis, or simply for taking a walk through the vineyards. Sportsmen and swimmers can pursue their hobbies in the nearby Danube river or in the public pool: *mirador-krems.at*.

During winter time, you have the opportunity to take advantage of the outdoor ice skating rink while you can enjoy the city's beach volleyball courts, soccer fields and tennis courts during summer. At night you can hang out in one of the town's bars or go to one of the two **movie theatres**:

From Krems, it is only a short train ride to Austria's capital Vienna. Seize a free afternoon for exploring this cultural and lively metropolis in the heart of Europe. Stroll through the parks of Schönbrunn Castle, marvel at the architecture of the Hundertwasser buildings, take a walk along the famous ring street or simply enjoy a traditional "Sachertorte" and a Viennese coffee in one of its plenty coffee houses.

Culture

Krems offers a rich historical and cultural landscape. The Kunstmeile Krems (art mile), comprising the Kremser Kunsthalle (art gallery) as well as the Caricature Museum, which is Austria's only museum of cartoon and caricature, pictorial satire and critical graphics, attracts visitors from all over the world. The University for Continuing Education Krems is part of the Kunstmeile and is a regional cultural meeting point due to its own range of public art. It wants to promote the confluence of art and science as well as to build a bridge between different cultures. When our campus was built, several publicly funded art projects were included in its design. One aspect of Campus Culture (donau-uni.ac.at/en/university/service/campus-culture) is the Campus Choir called "**CHORyphäen**" that is open to everybody in order to bring together members of University for Continuing Education Krems with people from the region. Furthermore, Krems offers a rich program in theatre productions and music concerts.

University for Continuing Education Krems

In 1995, the University for Continuing Education Krems, which had been founded one year previously, moved into the premises of an old tobacco factory, a characteristic industrial building dating back to the start of the 20th century.

Since October 2005, the University for Continuing Education Krems has been a campus university. Spanning an area of 34,000 square meters, the campus is utilized jointly by University for Continuing Education Krems, IMC University of Applied Sciences Krems and Karl Landsteiner University of Health Sciences. It is equipped with state of the art teaching and research facilities, comfortable accommodations, a varied range of food services, and an arthouse cinema. It offers the ideal environment for learning, research, and living.

In August 2008, the campus was further extended via the service center "Campus West". It complements the existing services for students and university staff in an optimal way by providing a hotel, restaurants, office and training spaces and a car park. The modern adaptation of the old tobacco factory and the new premises at "Campus Krems" offer students and teachers an open and motivating environment that promotes innovation. Next to the already mentioned modern teaching and research spaces, the facilities also include a library, an auditorium, a cinema, and a variety of restaurants.

In 2026, around 750 staff members and around 6,500 students from more than 100 countries worked, studied and did research at the University for Continuing Education Krems. The University for Continuing Education Krems combines ongoing innovation in research and teaching with the highest standards and holds the seal of quality of the Agency for Quality Assurance and Accreditation Austria (AQ Austria).
