27 – 29 September 2021
- Preliminary Program
- Subject to Changes
Global Transdisciplinarity Conference

Day 1: 27 September 2021 - Welcome to Krems!

- 09.00 Registration and Welcome
- 11.00 Official Opening
- 12.30 Lunchbreak
- 14.00 Afternoon Session
- 16.00 Break
- 16.30 Evening Session
- 18.00 Keynote
- 20.00 Reception

The first day at Danube University Krems will open the conference with an address by the conveners and then launch you directly into various open working spaces and interactive formats all over the campus, set up for you to get to know each other and each others’ work and approaches. The evening will conclude with a keynote delivered by one of the leading heads of transdisciplinary research in Europe.
Global Transdisciplinarity Conference

Day 2: 28 September 2021 - Vision from Above

- 09.00 Morning Session
- 11.00 Transfer to Stift Göttweig
- 12.00 Lunch and Guided Tour
- 14.00 Afternoon Session
- 16.00 Break
- 16.30 Evening Session
- 18.00 Panel Discussion
- 20.00 Wine Tasting

The second day will again bring you all together for a morning session in the grand auditorium of the university. After that the conference will move to the historic monastery of Göttweig for intense small work-group sessions focused on the overarching questions of the conference. The whole monastery and its scenic surroundings will be your workspace. The evening concludes with a panel discussion summing up the results up until then.
Global Transdisciplinarity Conference

Day 3: 29 September 2021 - Go with the Flow

- 09.00 Boarding
- 10.00 Departure from Krems
- 12.00 Stop at Dürnstein
- 14.00 Arrival at Melk
- 16.00 Return trip
- 18.30 Return to Krems
- 20.00 Evening Reception

The concluding day will bring you all together onboard the MS Tegetthoff. We go up the river and down again, punctuated by opportunities to go for walks ashore. The ship will be our workspace and the excursions our opportunity to mix and mingle. The whole day will be dedicated to developing common projects and collaborations beyond the scope of the conference. Filmers and graphic facilitators will be available onboard to help render your ideas all ship shape.
