Important note:

Based on the "Mitteilungsblatt 2025" /Nr. 40 from 21st of July 2025. If a chosen elective module or a study trip does not take place, the student will choose another elective module of the curriculum - in total 120 ECTS credit points need to be reached for the program. This will be coordinated with the head of the study program. Each online module of the curriculum has a life cycle in terms of a maximum duration to complete the module successfully. If the life cycle of an online module is exceeded, the module must be done newly by the student (any assessment of an online module cannot be transformed to an online module in a new life cycle).
