

Privacy Policy Parking Campus West P04

Purpose of data processing:

The UWK provides authorized students, alumni, employees of the UWK and employees of the Ernst Krenek Institute, the Austrian Students' Union and the University Ambulance with free parking spaces in the Campus West Garage P04 Krems (under the ARTE Hotel). Access to the garage is controlled by an automated barrier system from an external operator, which grants access by means of license plate recognition. For this purpose, an electronic interface is set up between the central CRM system of the UWK and the system of the garage operator, via which the daily updated license plate numbers of the authorized persons are transmitted.

Kirchhofer Immobilien GmbH (external garage operator):

- The external operator of the underground parking garage Kirchhofer Immobilien GmbH, Wachaustraße 42-48 A603 3500 Krems receives access to the transmitted license plates exclusively for the purpose of access control and administration of the parking system. The data will not be used for any other purpose or passed on to third parties.
- The operator acts as an independent controller according to Art. 4(7) GDPR.

Processed data categories:

- Car License plate

The legal basis:

The processing is carried out on the basis of Art. 6 para. 1 lit. b GDPR (alternatively Art. 6 para. 1 lit. f GDPR)

Storage duration in the parking system:

The transmitted car license plate data is only stored by UWK for the duration of the existing parking authorization and is automatically deleted as soon as the authorization expires. Beyond this, no movement profiles or location data are created

University for Continuing Education Krems:

Processed data categories:

- Date and time of data delivery
- Parking session ID, internal code from the system
- Date and time of entry
- Date and time of exit
- Car license plate, e.g. "KR987AA"
- Country code of the car license plate, e.g. "A"

The legal basis:

The processing is carried out on the basis of Art. 6 para. 1 lit. B GDPR (alternatively Art. 6 para. 1 lit. f GDPR).

Storage duration within UWK:

The above data is stored for a specified period of time in order to carry out evaluations for troubleshooting, functional testing, analysis of garage utilization and disclosure of misuse. The data is deleted no later than 6 months after the expiry of the valid parking permit.
